THE NEW 4-H YEAR HAS BEGUN - IT'S TIME TO ENROLL/RE-ENROLL!

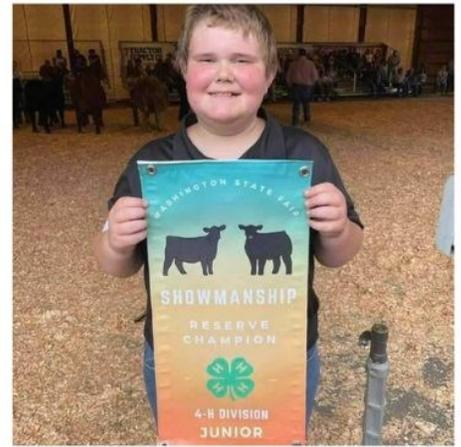

It's time for members and volunteers to enroll for the new 4-H year. Yes, you must re-enroll every year! Please visit the 4HOnline website at <https://v2.4honline.com/> and re-enroll today.

Here are some important tips:

- Re-enrolling members and leaders already have a profile in the system - so once you are logged in you just update and verify your information.
- Re-enrolling members and leaders must use the same e-mail address to sign into the system as last year - it can be changed by the Extension Office if you no longer have access to that e-mail. DO NOT create a new account if you were enrolled last year. Contact the Extension Office if you are unsure which e-mail address to use. If you forget your password, it can be reset by clicking the "reset your password" button.
- The \$25 per member State 4-H Enrollment Fee will be covered by the Pacific County 4-H Leaders Council. When enrolling, choose the check payment option to submit your enrollment. You will receive an automated email asking you to bring payment into the office - disregard that message. No fees will be collected from members.
- Please contact Sue at sue.carbaugh@wsu.edu or call the Extension office at 360-875-9331 if you experience any trouble or have any questions. I am here to help!
