my **health** to better living for  
my **club**, my **community**,  
my **country**, and my **world**.

## 4-H Motto:

## 4-H Essential Elements:

Record Book Completion Guidelines are available upon request from the Chelan Douglas County WSU Extension Office.

# 4-H CLUB AGREEMENT

At the beginning of each year, leaders, members, and parents should agree on expectations for member participation in the club.

The following County requirements must be met by members of all clubs:

- Comply with the 4-H Youth Member Code of Conduct (as agreed to in 4-H Online)
- Enroll in at least 1 project
- Attend 70% of club meetings
- Keep a record book
- Present a demonstration to your club
- Do a community service project with your club

Clubs may consider including the following:

- Project meeting attendance
- Serve as a committee member or club officer
- Present a demonstration at a County Demo Day, fair, or other event.
- Exhibit at a fair
- Enter a judging or showing contest
- Participate in leadership activities
- Participate in an out-of-club activity such as camp or conference

*Be creative!* This is the club's opportunity to add elements that could contribute to the 4-H experience.

*Clubs may create a separate Club Agreement document to replace this page in the Record Book, or use the template below as the Club Agreement:*

## 4-H CLUB AGREEMENT

To be a member in good standing of the \_\_\_\_\_ 4-H Club for the \_\_\_\_\_ enrollment year, I agree to all items described in the list of County requirements above, as well as...

I understand that the above is expected of me to be considered a club member in good standing, and failure to meet these expectations may mean that I am ineligible for participation in some club activities, certain awards or achievement recognition, or may be asked to withdraw from the club.

## ENDING VALUE SPREADSHEET

Materials, supplies, animals, equipment you had at the end of your project year.

Item	Amount	Value
<b>ENDING VALUE OF MATERIALS AT PROJECT CONCLUSION =</b>		

### Total Income/Value from Project:

### Total Investment in Project:

Income generated during project  
(total income from project journal)

Ending Value of Materials  $\oplus$    
(from above)

Total Investment

“Total Income/Value” minus “Total Investment” equals your “Total Profit or Loss”.

A positive number shows a profit; a negative number means there was a loss.

What was the profit or loss on your project?
