

INTERLOCAL AGREEMENT FOR COOPERATIVE PURCHASING

Between Washington State University and Kittitas County

This Interlocal Agreement is made between Washington State University, a public institution of higher education in Washington State ("University") and Kittitas County, a political subdivision of the State of Washington ("County"). The purpose of this agreement is to authorize the University to utilize the terms of a competitively awarded contract held by the County for banking services.

1. Purpose:

- a. The agreement enables Washington State University to utilize the terms and conditions including the banking services pricing agreed to under a competitively awarded contract procured by Kittitas County, in accordance with Washington's Interlocal Cooperation Act (Chapter 39.34 RCW). It supports efficient, cost-effective procurement by reducing administrative duplication.

2. Authority:

- a. This agreement is made under RCW 39.34.030 and RCW 39.34.080, which allows public agencies in the State of Washington to contract with one another for joint purchasing and cooperative action.

3. Contract Information

- a. The University may use the following Kittitas County contract:
 - i. Contract Title: Master Service Agreement
 - ii. Vendor: U.S. Bank
 - iii. Scope: Deposit Accounts
- b. The University agrees to abide by the terms and conditions established in the County's contract.

4. Responsibilities:

- a. Each party retains full responsibility for its own performance under this agreement.
- b. The University will be solely responsible for any purchases it makes and for all resulting payments to the vendor.
- c. The County will not be held liable or responsible for the University's purchasing decisions or obligations.
- d. The County is not acting as a purchasing agent for the University.

5. Term: This agreement will remain in effect for as long as the County's contract is active, unless terminated earlier by either party with 30 days written notice.

6. Contacts: Each agency will designate a contact person to manage this agreement:
