

**Washington State University
Biotech/Life Sciences Deionized Water Piping Upgrades
Pullman, WA**

Sealed bids are being requested by the Board of Regents of Washington State University, for the above referenced project.

This project is to replace the existing DI water piping network consisting of failed fused-joint polypropylene piping with new glued-joint PVC piping in the Biotech/Life Sciences Building.

Bid documents may be obtained at <https://facilities.wsu.edu/facilities-services-capital/contractors/>. Contractors who would like to be included on the Planholder's list shall either attend the pre-bid meeting or request to be added by emailing contracts@wsu.edu.

Bid Estimate: \$180,000 - \$200,000

Bids will be received prior to 2:00 p.m.; October 26, 2022 by fax 509-335-9304 or email to contracts@wsu.edu. Proposals will then be publicly opened and read aloud at 2:30 p.m. by Zoom <https://wsu.zoom.us/j/96977808775?from=addon> or Phone 253-215-8782 and entering Meeting ID 805 813 545. Attendance in person is not allowed.

A mandatory pre-bid conference for general contractors will be held at 10:00 AM on October 11, 2022, at McCluskey Services Building, Room 190D.

Owner reserves the right to reject any and all bids and to waive any informalities or irregularities in the bids received.
