

Additional Terms and Conditions for Federal Contract Funded Purchases

Washington State University has entered into an agreement with the United States of America. This contract or order is entered into with the Contractor in furtherance of the performance of the work required in that agreement. When interpreting applicable FAR provisions, "Government" or "Government Representative" or "Contracting Officer" will refer to WSU or WSU's Director of Purchasing. The term "Contractor" refers to the subcontractor or vendor with whom WSU is placing a purchase hereunder.

By accepting this contract or order, Contractor agrees to furnish the materials, supplies, or services covered by this contract or order, and to be bound by all terms and conditions included by WSU, including the terms and conditions specified below. The applicable FAR sections are incorporated by reference into the contract or order and will have full force and effect. The complete text of each clause is available and will be provided upon request, or may be viewed at <http://www.acquisition.gov/far/>. The FAR provisions in effect at the time of this order govern. All applicable clauses of the Federal Acquisition Regulations (FAR), with the exception of cost accounting standard clauses are effective as of the date of the contract. Cost accounting standard clauses are effective as of the date of the purchase order.
