

UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 7

Spring 2022

--REQUIREMENTS--

The requirements listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All changes are underlined. Deletions are crossed out. The column to the far right indicates the date each change becomes effective. Note: Items marked {S} have been streamlined and do not require Catalog Subcommittee review.

Department	Proposed	Effective Date						
Biological Sciences Revise graduation requirements for B.S. in Biology - Basic Medical Sciences Plan A, and change name of option to Basic Medical Sciences	Biology - Basic Medical Sciences Plan A (120 Credits) Candidates for the Bachelor of Science in Biology must fulfill the University and the College of Arts and Sciences requirements for graduation as described in the WSU general catalog. Admission to the major requires completion of 24 semester credits and 2.0 GPA. Honors students complete honors requirements in place of UCORE requirements. The math and science components of those requirements are fulfilled as part of the School requirements described below. Other University requirements include: 120 total credits, of which 40 must be 300-400-level credits; the writing portfolio; and two writing in the major courses (identified by [M] in the course listings). The College of Arts and Sciences requires two years of high school foreign language or at least two semesters of college-level foreign language. Bachelor of Science degree options in Biology and Zoology require a minimum of 19 semester credits of core BIOLOGY courses (BIOLOGY 106, 107, 301, 370 [M] or 372 [M], and 395 or 403 or 405). An additional 21 semester credits of biological sciences coursework selected in consultation with your biology advisor is required. The 21 semester credits must include 15 upper division credits, six of which must be BIOLOGY courses taken in residence at WSU, one additional BIOLOGY writing in the major course (identified by [M] in the course listings), and one BIOLOGY Capstone course (identified by the [CAPS] in the course listings). An overall GPA of at least 2.0 must be maintained in all College and School requirements. A maximum of 4 credits of coursework that are graded S, F may be used toward fulfilling School requirements or program options, and no other courses taken S or P can be applied toward fulfilling School requirements or program options. Students must complete an exit survey. Students may not double major or take a minor in any combination of Biology, Zoology, or General Studies Biological Sciences, <u>or Human Biology</u> . Biological Sciences Revise graduation requirements for B.S. in Zoology - Accelerated Pre-Veterinary Option	Zoology - Accelerated Pre-Veterinary Option (125-121Credits) The Accelerated Pre-Veterinary Option track allows qualified students to earn both a Bachelor of Science in Zoology and Doctor of Veterinary Medicine within a seven-year span. Interested students must be advised by faculty in the School of Biological Sciences, and should contact the school no later than the first semester of the sophomore year. Candidates for the Bachelor of Science in Zoology must fulfill the University and the College of Arts and Sciences requirements for graduation as described in the WSU general catalog. Students must complete a minimum of 90 undergraduate credits, including 30 credits of 300-400 level coursework, and be accepted into the Veterinary Medicine program to complete this degree. Honors students complete honors requirements in place of UCORE	8-22

requirements. The math and science components of those requirements are fulfilled as part of the School requirements described below. Other University requirements include: 120 total credits, of which 40 must be 300-400-level credits; the writing portfolio; and two writing in the major courses (identified by [M] in the course listings). The College of Arts and Sciences requires two years of high school foreign language or at least two semesters of college-level foreign language. Bachelor of Science degree options in Biology and Zoology require a minimum of 19 semester credits of core BIOLOGY courses (BIOLOGY 106, 107, 301, 370 [M] or 372 [M], and 395 or 403 or 405). An additional 21 semester credits of biological sciences coursework selected in consultation with your biology advisor is required. The 21 semester credits must include 15 upper division credits, six of which must be BIOLOGY courses taken in residence at WSU, one additional BIOLOGY writing in the major course (identified by [M] in the course listings), and one BIOLOGY Capstone course (identified by the [CAPS] in the course listings). VET MED credits fulfill other Program Option electives requirements. An overall GPA of at least 2.0 must be maintained in all College and School requirements. A maximum of 4 credits of coursework that are graded S, F may be used toward fulfilling School requirements or program options, and no other courses taken S or P can be applied toward fulfilling School requirements or program options. Students must complete an exit survey. Students may not double major or take a minor in any combination of Biology, Zoology, ~~or~~ General Studies Biological Sciences, or Human Biology.

For more information about the Accelerated Pre-Vet Option program contact the School of Biological Sciences.

Coursework must include a total of two BIOLOGY [M] courses and sufficient 300-400-level coursework to meet the University requirement of 40 upper division credits.</u> ² A biochemistry course is required for admittance to U.S. veterinary colleges. <u>Pre-Vet/Animal Care Zoology Option Requirements include two courses from the Anatomy/Development Biology emphasis (BIOLOGY 315, 321, or 324); one course from the Physiology/Cell Biology emphasis (BIOLOGY 350 or 353).</u> ³ Two years of high school foreign language or at least two semesters of college-level foreign language are required by the College of Arts and Sciences for graduation. <u>Pre-Vet /Animal Zoology Option Electives include a minimum of 12 credits of Biological Science selected in consultation with a biology advisor. These should include coursework to fulfill the University requirement of 40 upper division credits. Approved program electives include BIOLOGY 352, 360, 393 [M], 412, 423, 428, 432, 438 [M], 495, CHEM 370 or MBIOS 303, MBIOS 304, 305, SOE 431.</u> ⁴ Zoology, Pre-Veterinary/Animal Care Program Option electives should be selected in consultation with a biology advisor and must include 12 credits selected from BIOLOGY 352, 360, 393 [M], 412, 423, 428, 432, 438 [M], 495, CHEM 370 or MBIOS 303, 304, 305, SOE 431, or as approved by advisor. Beyond the core requirements (BIOLOGY 106, 107, 301, 370 [M] or 372 [M], one from 395, 403, or 405, BIOLOGY [CAPS] or HONORS 450) all zoology majors must complete 21 semester credits of biological coursework including 15 upper-division credits, 6 of which must be a BIOLOGY prefix taken in residence at WSU. Approved courses include 200-400-level BIOLOGY courses not used to fulfill core requirements, and any courses approved by advisor. A maximum of 4 credits of coursework graded S/F may be used toward fulfilling departmental requirements or program options and must be approved by advisor.	

	<u>Two years of high school foreign language or at least two terms of college-level foreign language are required by the College of Arts and Sciences for graduation.</u> ⁵ Students in Honors College complete HONORS 450 in lieu of a BIOLOGY [CAPS] course.	
Civil and Environmental Engineering Revise graduation requirements for B.S. in Construction Engineering	Construction Engineering (128127 Credits) Admission to the Major Criteria Admission into the Bachelor of Science in Construction Engineering requires meeting certain admission benchmarks. There are different admission benchmarks for incoming students based on their academic standing. Incoming freshmen who are ready to take MATH 171 (Calculus 1) or higher are admitted to the major upon making their intentions known to the department. To remain in the major the student must initially pass MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better and a cumulative WSU GPA of 2.5. To remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA). Incoming freshmen who are not ready to take MATH 171 (Calculus 1) are admitted to the major upon completing MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better while earning a cumulative WSU GPA of 2.5 or better, and by making their intention known to the department. To remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA). Incoming transfer students are admitted to the major upon completing MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better while earning a cumulative GPA of 2.5 or better at their previous institution, and by making their intention known to the department. To remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA). Current WSU students seeking to change their major are admitted to the major upon completing MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better; while earning a cumulative WSU GPA of 2.5 or better; and making their intention known to the department. To remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA). <u>To be admitted to the Construction Engineering major, students must have one of the following:</u> • <u>An 83% or higher ALEKS math placement score</u> • <u>WSU enrollment in MATH 171 or equivalent credit earned with a ‘C’ or higher grade</u> • <u>An AP Calculus score of ‘2’ or higher (AB or BC exam)</u>	8-22

To maintain a Construction Engineering major, students must complete the following benchmarks:

- Grade of 'C' or better in the following courses:
 - MATH 171
 - MATH 172
 - CE 211
 - PHYSICS 201
 - PHYSICS 211
- A cumulative WSU GPA of 2.50 or higher (or transfer GPA if no WSU GPA exists) upon completion of the above courses

Admission to the major is only valid for the current campus of residence. Students who decide to change campus after admission to the major will need to re-qualify for admission to the major for the campus to which they transfer.

Students who are deficient under the University's Academic Regulations or whose GPA in CE courses falls below 2.0 are subject to loss of eligibility of major. The undergraduate studies committee on each campus will determine the eligibility and probation conditions for students who will be permitted to apply for re-entry to the major.

Experiential Requirement

Students within the Department of Civil and Environmental Engineering must complete one of the following experiential requirements:

1. An internship of at least eight weeks duration, with at least one credit of CE 495.
2. A research position of at least eight weeks duration under the supervision of a departmental faculty member or approved mentor, with at least one credit of CE 499.
3. Study abroad for six or more credits. International students in the Department of Civil and Environmental Engineering will meet this requirement through their study in the United States.
4. Participation in a recognized ROTC program. Veterans in the Department of Civil and Environmental Engineering will have met this requirement through their prior service in the armed forces.
5. A leadership or service experience of at least one semester, subject to departmental approval, with at least one credit of CE 499.

None of the courses listed below may be taken on a pass/fail basis. A grade of C or better is required in all CE and CON E courses required for the degree.

Students should consult with their advisor at their campus of residence for approved alternative course sequences and choices as well as allowed substitutions to the schedule of studies listed below. At the time of admittance to the CON E program, all pre-existing upper-division CE, CON E, and CST M

coursework from previous institutions can be evaluated by the department for compliance with degree requirements on a case-by-case basis. Following admittance to the CON E program, all subsequent upper-division CE, CON E, and CST M courses must be taken at WSU. However, an exception may be made if a student receives less than a C grade in one CE, CON E, or CST M course during their last semester at WSU. With approval of the department chair, a student can make up that one course only at a different institution.

	¹ To meet University and College of Arts and Sciences requirements, students must take a [BSCI] course with lab and [PSCI] course with lab.	
	² History Electives – 30 credits required, minimum 15 credits at 300-400 level and one [M] course - must include 6 hours US history (HISTORY 110, 111, 150, 201, 216, 235, 280, 298, 308, 313, 314, 320, 321, 322, 390, 398, 409, 410, 411, 412, 413 [M], 414, 415, 416, 417, 418, 419, 421, 422, 423, 486, or 496), 6 hours European history (HISTORY 101, 102, 340, 341, 342, 350, 381, 382, 386, 440, 441, 444, 445, 447, 448, 449, 450 [M], 453, 454, 455, 459, 462, 463 [M], 467, or 468), and 9 hours Non-Western/Global history (HISTORY 230, 231, 270, 271, 272, 273, 274, 275, 306, 331, 335, 337, 370, 373, 374, 387, 388, 425, 430 [M], 432, 433, 434, 435, 436, 439, 466, 472 [M], 473, 474, 475, 476 [M], 477 [M], 483, 491, 492, or 495).	
	³ Concentration Courses (12 credits, minimum 6 credits at the 300-400-level): Courses in the same or related disciplines with the advisor's approval. In consultation with their advisor, students are encouraged to select a concentration area that best meets their career objectives. Internal concentrations and courses include: Africa and the Middle East: HISTORY 272, 273, 274, 306, 396, 472, 473; American West: HISTORY 308, 319, 320, 398, 421, 422; Asia: HISTORY 201, 270, 271, 272, 273, 275, 306, 370, 373, 374, 387, 472, 473, 474, 475, 476, 477, 479; Atlantic History: HISTORY 150, 230, 231, 235, 274, 280, 308, 314, 331, 335, 413, 414, 430, 432, 433, 434, 435, 439, 492; Diplomatic History: HISTORY 387, 388, 411, 412, 463, 466, 486, Environmental History: HISTORY 308, 409, 422, 425, 494; Europe: HISTORY 101, 102, 340, 341, 342, 350, 355, 386, 435, 436, 440, 441, 444, 445, 447, 448, 449, 450, 453, 454, 459, 462, 467, 468; Gender and Sexuality: HISTORY 298, 335, 336, 337, 350, 398, 399; History of Imperialism/Colonialism: HISTORY 341, 388, 413, 414, 435, 436, 439, 454, 462, 479, 491, 495; Latin America: HISTORY 230, 231, 232, 331, 335, 430, 432, 433, 434; Popular Culture and the Arts: HISTORY 130, 216, 232, 320, 321, 322, 355, 423, 444, 448, 492; Public History: HISTORY 315, 410, 427, 438, 498 (required); Race and Ethnicity: HISTORY 150, 235, 280, 298, 308, 313, 314, 315, 398; Social Movements: HISTORY 130, 313, 399, 407, 423, 426, 445; Science and Technology: HISTORY 381, 382, 400, 483, 494; United States: HISTORY 110, 111, 150, 216, 298, 308, 313, 319, 320, 326, 388, 390, 398, 399, 407, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 421, 422, 426; War and Peace: HISTORY 386, 387, 388, 390, 416, 418, 419, 445, 449, 455, 464, 466, 468. Students may not use the 12-credit concentration areas to fulfill the 6 hours of US history, 6 hours of European history, and 9 hours of Non-Western/Global history required in the major.	
	⁴ Electives should include sufficient 300-400-level courses to meet University requirement of 40 credits of upper division coursework.	
	{S} History	War and Society
		8-22

Revise requirements for minor in War and Society	The minor in War and Society addresses political, social, economic, and cultural impacts of war. The minor requires 18 credits, 9 of which must be taken in residence at WSU or through WSU-approved education abroad or educational exchange courses. A grade of C or better is required in all course work for the minor. Approved courses include: HISTORY 386, 387, 388, 390, 416, 418, <u>419</u> , <u>445</u> , 449, 455, 464, 466, 468.																																									
Music Under Bachelor of Music, add new major: Music Business	Music Business Degree (120 Credits) This major offers professional preparation in music with specialization in the music industry. The curriculum is designed to prepare students in entrepreneurship, arts management, fine arts marketing and promotion, recording studio management, music publishing and copyright, venue management, and retail operations. Requirements include: senior qualifying exam; piano proficiency exam; achieve a cumulative 2.5 GPA and a grade of C or better in all music classes; a half senior recital. Only 9 credits of MUS courses can be used to fulfill UCORE requirements.
