SUBJECT: Extend BA in Political Science to Global Campus

The College of Arts and Sciences requests an extension of the Bachelor of Arts in Political Science to Global Campus. Initially, the only option that will be extended is General.

Their rationale for the extension includes:

- *Ability to better serve “degree -completers” and non-traditional students in support of increased completion rates and placement of graduates*
- *Evidence of a demand among students and of fair career prospects for Political Science majors*

As there are no proposed changes to the degree requirements, a review by Catalog Subcommittee is not required.
