Federal Funding

FY24 COMMUNITY PROJECT REQUESTS

WA-05 Community Project Funding Submissions Disclosure

6. **WSU Pullman Safety Enhancement Project**

Recipient: Washington State University Campus Police

Recipient Address: 2201 Grimes Way, Pullman, WA 99163

Request: $12,400,000

Explanation of Project and Value to Taxpayers: The funding would be used for making improvements to campus safety at WSU Pullman, including installing security cameras in critical high-risk areas and adding exterior door access control management to 50 primary academic buildings. This project is an appropriate use of taxpayer funds because recent events in Moscow, ID, have exposed the vulnerabilities of college communities, and more security measure are needed to keep students safe and ensure local law enforcement has the tools it needs to prevent and respond to tragedies.

Security Cameras

Sept 2023 BPPM Revision

BPPM 50.35 Video Security Systems–WSU Pullman

- Changes the title of the section from Safety and Security Video Surveillance.

- Updates the policy, responsibilities, requirements, and procedures regarding requesting, implementing, and managing video security systems and data at the WSU Pullman campus.

- Adds two PDF forms to the policy: Video Security Camera System Access Request and Security Camera System Installation Request.

Threat Assessment

March 2022

Threat Assessment EP42

This new policy provides responsibilities for identifying, assessing, and addressing threats to the University's community and property. A new Threat Assessment Team (TAT) is tasked with managing the threat assessment process, and promoting a safe and secure environment for faculty, staff, students, and visitors to the University campuses.

In Queue

BPPM 50.43 - Security Screening

This new policy provides a process and guidelines for the use of security screening, including metal (weapon) detection, at WSU events.

EP XX - Coordination of Police and Public Safety Services

This new policy establishes a process for the coordination of police and public safety services system-wide, including the creation of a public safety council.

Question Submitted

What, if anything, are WSU and Pullman law enforcement doing to earn the trust of people of color?

Come say hello to us at the Safety & Wellness Expo today! We have a booth with Officers Kirshner and Thompson as well as a booth for our cadet program. Corporal Fosberg is the Training Coordinator of the cadet program and Giulia is one of our current cadets. We also got to see our friends over at City of Pullman Police Department. #GoCougs

Question Submitted

Traffic Enforcement seems to have waned since COVID, allowing bad driving behaviors with heavy pedestrian traffic.
