WHAT'S HAPPENING THIS MONTH:

Schweitzer Engineering Hall

WASHINGTON STATE UNIVERSITY
Voiland College of
Engineering and Architecture

Construction Activities Upcoming This Month:

- Sitework, Hardscape, topsoil and mulch. Plants will be deferred to the spring for planting.
- Mechanical and Electrical installation throughout.
- Interior Finishes, framing, drywall, paint, and tile.

Image 1: Site Concrete, new curbs and street paving on Columbia St.

Image 2: Sidewalks, irrigation and new asphalt paving.

Image 3: New Soil Cell installed to support tree root growth within the plaza.

Image 4: Welcome Center Finishes and Aluminum Storefront being installed.

NOTE: A small section of College Ave adjacent the building will remain Closed throughout November to enable the completion of the landscaping, building envelope and material handling.

Please track the progress of the construction with us via site cameras at <https://buildings.wsu.edu/>
