ABOUT MELANIE DANUSER

Melanie Danuser is the Director of Education and Training for the Northwest Energy Efficiency Council and its partner organization, the Smart Buildings Center. Melanie gives us an inside look at what NEEC has to offer as a company and why they do what they do.

ABOUT REBECCA SHEPPARD

Rebecca Sheppard is a Senior Project Manager at the Northwest Energy Efficiency Council and Smart Buildings Center. She went through the BOC training and now works to give others the opportunity to take the training as well. Rebecca provides a unique perspective into the organization.

BACKGROUND

In many ways, a building's efficiency relies heavily on the building operator. In this episode we spend time with Melanie and Rebecca learning about the Northwest Energy Efficiency Council. They focus on improving the energy efficiency of buildings through trainings and resources for building operators in the PNW.
