

ENERGY & COMFORT @ WSU

This desk is equipped with a Smart Power Strip. The devices at this desk are currently powered off to save energy. If you intend to occupy this desk, please follow these steps:

1. Press and hold the **'MANUAL'** button for at least 4 seconds, until the screen says **'AUTO OFF'**
2. Press the button again until it says **'AUTO ON'**

This strip is scheduled to **turn on between 6:30AM to 6:30PM**, if this schedule does not encompass your workday, please complete this form to have your strip rescheduled
