

ENERGY & COMFORT @ WSU

SCAN ME

to learn more about saving energy at WSU and Tenant Engagement efforts!

Help us save energy in this conference room!

Many of the features of this space are automatically controlled, however, you can help conserve resources by ensuring that:

1. All lights are turned off after use,
2. Monitor screens and projectors are in sleep mode or powered off between uses,
3. Any additional electronics, cords, or equipment is taken with you, or turned off, after using this space,
4. If possible to use natural light, please do so, and
5. If you see something left on, malfunctioning, or are uncomfortable with the environmental conditions while using this space, please report your concerns to the appropriate IT specialist, or contact Facilities Services to report a comfort complaint at 509-335-9000.

THANK YOU FOR YOUR COOPERATION!
