

UI AAPG Student Chapter Hosts:

A Portrait of Environmental Consulting

Robin Nimmer, Ph.D, P.G., L.G.

3:30

March 31

Mcclure 209

Open to All
Snacks provided

The speaker, Robin Nimmer, is a hydrogeologist working at TerraGraphics Environmental Engineering. She received a PhD in geology with an emphasis on hydrogeology/geophysics. Her talk will focus on her work on environmental consulting projects over the past six years from North Idaho all the way to Nigeria.
