**Final Presentations**  
**Friday, April 8, 2016**  
**3 - 5 p.m.**  
**CUE 202**

In 1991 the United Nations established a Working Group on Arbitrary Detention (WGAD) to investigate cases of deprivation of liberty imposed arbitrarily that may be in violation of the UN's Universal Declaration of Human Rights. The work of these groups will inform the WGAD report to the U.S. and in so doing, affect how it may approach future cases around the world.
