Thursday, September 25, 2025 9:00 am – 5:00 pm	AASRO Annual Meeting <i>WSU CUB Junior Ballroom</i>
Friday, September 26, 2025 9:00 am – 4:00 pm	AASRO Annual Meeting <i>Marriott Conference Room</i>

Hotel Information

We have a group rate and block of rooms at the Courtyard by Marriott Hotel in Pullman, which is conveniently next to the WSU campus. The group rate ranges \$159-\$169 per night, applies to any/all of the nights starting Tuesday, September 23, 2025 through checkout on Saturday, September 27, 2025.

Here's your reservation link to make reservations: [Book your group rate for AASRO](#)

The final day to make reservations is Sunday, August 24, 2025.

If you have any questions about the schedule and travel, we are happy to help!

Travel To/From Pullman, WA

Airports/Flights:

Pullman-Moscow Regional Airport - <https://www.flypuw.com/>

- ◆ A very good and convenient choice for getting in and out of Pullman. However, almost all flights into Pullman come through a connection in Seattle and are all on Alaska Airlines. Alaska Airlines is the only commercial airline that currently flies in/out of Pullman.
- ◆ Typically there are 3 flights a day that arrive in Pullman: 1:00 pm, 6:45 pm, and midnight
- ◆ Typically there are 3 flights a day that leave Pullman: 6:00 am, 1:45 pm, and 7:30 pm
- ◆ There is a complimentary shuttle from the airport to the **Courtyard by Marriott Hotel** where we have a block of rooms available for your stay in Pullman.
- ◆ Rental Car Agencies at the airport include: Budget, Avis, and Hertz.
- ◆ Enterprise Car Rental has a location in Pullman and does offer a Pick-Up Service at non-airport locations such as the hotel

Spokane International Airport - <https://spokaneairports.net/>

Pullman is 80 miles South of the airport in Spokane, WA – approx. 1.5-hour drive

- ◆ Spokane is an International Airport and offers a wide range of airlines with Southwest, Delta, and United being the largest airlines. There are no flights between Spokane and Pullman.
- ◆ From Spokane, you will need to rent a car to drive to Pullman on State Highway 195, an easy, mostly rural highway. There are no shuttle services between Spokane and Pullman.
- ◆ Travel tip: For your return trip, there will likely be fewer options to fly out later in the day on Friday, Sept 26, without you having to miss part of the meeting scheduled that day. However, there will be many early morning flight options out of Spokane for Saturday morning (Sept 27) for those flying east. Rather than driving to Spokane early Saturday morning from Pullman, we suggest you drive to Spokane at the end of our meeting on Friday (Sept 26), spend the night at one of the Airport based hotels and depart early Saturday morning. A couple of hotels a two-three minute walk from the airport terminal are: Ramada by Wyndham, Wingate by Wyndham, and SpringHill Suites by Marriott. There are others within a short driving distance, e.g. Hilton Garden Inn, Holiday Inn and Hampton Inn. And some of these hotels have airport shuttles.

Lewiston-Nez Perce County Regional Airport - <https://www.golws.com/>

Pullman is 40 miles North of the airport in Lewiston, ID – approx. 1-hour drive

- ◆ Delta Airlines through Salt Lake City, UT or Seattle, WA will be your only options flying in/out of Lewiston, ID.
- ◆ You will need to rent a car to get to Pullman, as there are no shuttles. Rental car companies available in Lewiston are Budget, Avis, and Hertz. The drive from Lewiston to Pullman is an easy drive and mostly rural. You will be impressed by the Lewiston Hill on US 95 that climbs 2,100 vertical feet to Pullman.

And, just in case you are wondering, don't make Seattle your destination, as Pullman is 290 miles east of Seattle. However, if you have the time, it is a beautiful drive between Seattle and Pullman through the Cascade Mountain Range (over Snoqualmie Pass), Columbia Plateau, Channeled Scablands, and into the rolling hills of the Palouse - but it will take you 5 to 8 hours or longer depending on Seattle traffic and how many stops you make along the way.

Travel Around the WSU campus and the Palouse (Pullman, WA & Moscow, ID)

Pullman is walkable to many locations, but it is also a rather hilly town which can make walking around town or on the WSU campus a challenge – even for the shortest distances.

During the scheduled events of the Annual Meeting, **we will have vans available to get people to/from event locations in Pullman.**

Ride Sharing Services

Both Uber and Lyft have services in Pullman; however, depending on the time of day, the wait can be 5 minutes or as long as 30 minutes. The best choice would be to reserve a ride through these services ahead of time.

Local Taxi Cab Services

- Pullman Taxi -- <https://www.taxiinpullmanwa.com/>
- Moscow Taxi -- <https://www.taximoscowid.com/>

Parking on Campus

As a reminder, we will provide shuttle vans for folks who would prefer not to park on campus during the Annual Meeting.

A Campus parking map can be found here: [WSU Campus Parking Map](#)

Parking at the **Elson Floyd Cultural Center**: We hope to have more updated parking information soon.

Parking at the **Lewis Alumni Center** is free – on Wednesday evening for AASRO attendees.

Parking at **CUB** – where the meeting will be on Thursday –is in an hourly public parking garage, The CUE, conveniently located near the main campus (where the CUB is).

Parking in Town

There is plenty of free parking in downtown Pullman, WA or downtown Moscow, ID. [This link is for a map of parking in Pullman.](#)
