

# Pompeys Pillar National Monument Visitor Survey

## Introduction

In order for the Bureau of Land Management (BLM) to comply with the Government Performance and Results Act (GPRA), and better meet the needs of the public; a visitor satisfaction survey was conducted at 24 BLM recreation sites in 13 states during fiscal year 2013 (FY13). The survey was developed to measure each site's performance related to BLM GPRA Goal 3.1 - *Provide for a quality recreation experience, including access, and enjoyment of natural and cultural resources on DOI managed and partnered lands and waters*; and Goal 3.2 - *Provide for and receive fair value in recreation*. The information collected during the survey will also help the BLM better serve the public. The survey collected visitor satisfaction data regarding visitor information (i.e., use of maps, signs, brochures), developed facilities, managing recreation use, resource management, BLM staff and customer service, and educational and interpretive materials.

The results of the visitor satisfaction survey conducted at Pompeys Pillar National Monument are summarized in this data report. A description of the research methods and limitations can be found on the next page. Below (left) is a graph summarizing visitor opinions of the "overall quality of recreation experience." The satisfaction measure next to this graph is a combined percentage of "good" and "very good" responses. This is the primary performance measure for GPRA Goal 3.1 and should be used for reporting performance for this goal (NOTE: the satisfaction measure may not equal the sum of "very good" and "good" percentages due to rounding).

The response rate for this site survey was 100%. The graph and satisfaction measure summarizing visitor opinions of the "value for fee paid", which is the primary performance measure for GPRA Goal 3.2, can be found on page 9.

FY13 Satisfaction measure: 100%  
Average evaluation score: 4.9

### FY13 GPRA Satisfaction Measure

Percentage of site visitors satisfied overall with appropriate facilities, services, and recreational opportunities:

**100%**

# Pompeys Pillar National Monument

## Research Methods

### Understanding the Results

Inside this report are graphs that illustrate the survey results. The report contains 8 categories of data regarding BLM amenities, staff, and services plus selected demographics. Within these categories are graphs for each indicator evaluated by site visitors. For example, the Visitor Information category includes indicators such as “providing useful maps and brochures,” “adequate signs on site for direction,” and so forth. In each category there is a graph entitled “Everything Considered”. This graph is the basis for determining visitor satisfaction for each category and GPRA reporting numbers.

Each graph includes the following information:

- The number of visitor responses for the indicator;
- The percentage of responses which were "very good," "good," "average," "poor," and "very poor;"
- A "satisfaction measure" that combines the percentage of total responses which were "very good" or "good;" and
- An average evaluation score (mean score) based on the following values: very poor= 1, poor= 2, average= 3, good= 4, very good= 5.

- The higher the average evaluation score, the more positive the visitor response
- Graph percentages may not equal 100% due to rounding

### Research Methods

Surveys were distributed to a random sample of visitors at this site during a selected period in FY13. The survey response rate is described on the first page of this report, meaning that 100% of those randomly sampled responded to the survey. The data reflect visitor opinions about this site's facilities, management, services, educational opportunities, and fees during the survey period. Visitor activities and selected demographics were also captured. A representative sample of the general visitor population were surveyed at selected locations. The results do not necessarily apply to visitors during other times of the year, or visitors who did not visit the survey locations on site.

Returned surveys were electronically scanned and the data analyzed. Frequency distributions were calculated for each indicator and category.

All percentage calculations were rounded to the nearest percent.

The survey response rate is described on the first page of this report. The sample size (n) varies from figure to figure, depending on the number of responses.

Caution is advised when interpreting any data with a sample size of less than 30. In such cases, the word “CAUTION!” is included in the graph. This report excludes any indicator with less than 10 responses.

For most indicators, the survey data are expected to be accurate with in  $\pm 6\%$  with 95% confidence. This means that if different samples had been drawn, the results would have been similar ( $\pm 6\%$ ) 95 out of 100 times.

For more information about this survey, contact Jennifer Hoyer Russell, BLM Survey Project Coordinator at the University of Idaho Park Studies Unit (208) 885-4806

## Providing Educational and Interpretive Material

### Providing *quality* educational and interpretive material about the resources at this site

FY13: 250 respondents

FY13

Satisfaction measure: 99%  
Average evaluation score: 4.8

### Providing stewardship information on how to protect the cultural and natural resources

FY13: 231 respondents

FY13:

Satisfaction measure: 97%  
Average evaluation score: 4.7

### Providing a sufficient *quantity* of educational and interpretive materials about the resources at this site

FY13: 237 respondents

FY13

Satisfaction measure: 98%  
Average evaluation score: 4.8

### Everything considered: interpretive and educational program

FY13: 245 respondents

FY13:

Satisfaction measure: 99%  
Average evaluation score: 4.8

## Pompeys Pillar National Monument Fees

### Total fees paid

FY13: 300 respondents

### How appropriate was the fee charged for this site/area?

FY13: 159 respondents

### The value of the recreation opportunity was at least equal to the fee asked to pay.

FY13: 163 respondents

## Commercial Recreation Operations

### Quality of Commercial Services

FY13: 29 respondents

FY13

Satisfaction measure: 100%  
Average evaluation score: 4.9

## Pompeys Pillar National Monument Primary Activities at this Site/Area

### Primary activities

FY13: 300 respondents\*\*

\*\* Percentages do not equal 100 because visitors could choose more than one activity.

## Programs (interpretive, walk, tour, exhibit, presentations, etc.)

### Quality of program(s) attended

FY13: 121 respondents

FY13

Satisfaction measure: 100%  
Average evaluation score: 4.9

# Pompeys Pillar National Monument Demographics

## Visitor group composition

## Number of adults (18 and over) in group

## Number of teenagers (13-17) in group

## Number of children (under 12) in group

## Respondent age

## Gender

# Pompeys Pillar National Monument Accessibility to Visitors with Disabilities

## Ability to adequately use the facilities

FY13: 73 respondents

FY13

Satisfaction measure: 93%  
Average evaluation score: 4.6

## Ability to access exhibits, waysides, etc.

FY13: 67 respondents

FY13:

Satisfaction measure: 96%  
Average evaluation score: 4.7

## Ability to understand the messages

FY13: 65 respondents

FY13:

Satisfaction measure: 97%  
Average evaluation score: 4.8

## Ability to use the services in this area

FY13: 68 respondents

FY13:

Satisfaction measure: 97%  
Average evaluation score: 4.8
