## Non-Insured Crop Disaster Assistance Program for Value Loss Crops

### Webinar: August 7, 2024 at 10:00 a.m.

**Spokane Valley, WA** (July 11, 2024) – Washington State FSA will be hosting part two of the webinar on the Non-Insured Crop Disaster Assistance Program (NAP) on August 7, 2024 at 10 a.m. as part of the monthly webinar series. This presentation will review program provisions for specifically for value-loss crops: aquaculture, Christmas trees, floriculture, ginseng, mushrooms, nursery, and turfgrass sod. The previous installment in March covered yield-based crops. The recording can be viewed on the Washington State FSA website.

The webinar will review the program cycle, how to sign up and fill out forms, and request payment in the event of a loss. Attendees will have the opportunity to participate in a moderated Q&A session with local program experts following the presentation.

**Date:** Wednesday, August 7, 2024

**Time:** 10:00 a.m. to 11:00 a.m.

**Platform:** Microsoft Teams. Registration is not required. To access the event, follow the workshop link below.

**Workshop Link:** [Click here to attend.](#)

The NAP deadlines for Washington State are as follows. The underlined crops are value-loss crops.

**March 15, 2024** – Artichokes, beets (for seed or fresh), buckwheat, camelina, carrots (for fresh or processing), hemp, mustard, radish (for seed or fresh), small grain forages (wheat, barley, oats, peas), and any other spring planted crops not mentioned in other closing dates.

**May 31, 2024** – Nursery crops.

**August 31, 2024** – Cabbage (for seed or fresh), canola, carrots (for seed), cauliflower (for seed or fresh), onions (for seed, fresh or processing), rapeseed, rutabaga (for seed or fresh), turnips (for seed or fresh), and any other fall planted crops not mentioned in other closing dates.

**September 30, 2024** – Aquaculture, beets (for stecklings), Christmas trees, floriculture, garlic, mint, mushrooms, turf grass sod, perennial grazing, forage, mixed forage, and forage seed crops.

**November 20, 2024** – All Perennial crops not listed under the 9/30 category, along with asparagus, berries, grapes, hops, and tree fruits and nuts.

**December 31, 2024** – Honey.
