

00:39:07 Jessica Haberman: Hannah Brause! I was one of your sister Holly's roommate in college!

00:39:59 Tracy Morgan: Hi from tracy.morgan@wsu.edu!

00:41:52 Nik Von Aspern: Please excuse me for a lack of zoom knowledge, how do you view all the people? or is that even a thing? cheers!

00:42:24 Garry Fruth: button looks like a checkerboard

00:42:36 Aba Kiser (WSU Food Systems): Hi Nik, if you go up to the top right of your zoom screen you should have some options for viewing the speakers.

00:42:54 Madison Hamblin: Do we get a copy of these slides sent to us after the Zoom?

00:43:19 Aba Kiser (WSU Food Systems): The meeting is being recorded and will be available with the slides, yes!

00:43:30 Madison Hamblin: thank you

00:45:40 Matt Taylor: How much revenue sets the threshold? I had a dog barking during that part!

00:45:49 Jocelyn Burns: 250,000

00:45:56 Matt Taylor: Thx!

00:47:53 Jason Alves: Jasona@dva.wa.gov, feel free to get ahold of me

00:48:12 Justin Berry: Cannot wave I am a Veteran

00:49:38 Nik Von Aspern: Airborne!

00:49:56 Nik Von Aspern: Justin Berry? USFS?

00:50:25 Stephen E Dickinson: Stephen dickinson 101 ABN

00:50:34 Justin Berry: USMC and Army

00:50:59 Joel Swenson: AATW!

00:51:05 Kevin Gorman: Coast Guard here. Thanks, Jason.

00:51:12 Nik Von Aspern: i fought fire with a Justin Berry in Northern California after the Army. Thanks for your service brother!

00:51:22 John Latimer: Navy here

00:52:03 Stephen E Dickinson: hay John my son is a Navy Chief

00:53:11 John Latimer: Nice!

00:55:37 Kaisha H.: can those books be listed here in the chat. Only two were in our course overview.

00:56:48 Kayla Wells, WSU Okanogan County: Kaisha I believe the books are listed on the website

00:56:53 Mark Eschbach: Whole Farm Management: From Start-Up to Sustainability – By: Gary Stephenson
Market Farming Success – By: Lynn Bycznski
The New Organic Grower – By: Elliot Coleman
Small-Scale Livestock Farming: A Grass-Based Approach for Health, Sustainability, and Profit – Carol Ekarius

00:57:14 Kaisha H.: Thanks

01:00:39 Esmeralda Sanchez: Esmeralda Sanchez

01:00:44 Nik Von Aspern: Nikolaus Von Aspern (CEU)

01:00:48 Jerah Moore: Jerah Moore

01:00:51 Kaisha H.: Kaisha Hamilton (CEU)

01:00:59 Aba Kiser (WSU Food Systems): aba.kiser@wsu.edu Please email me if you are interested in CEU's

01:01:02 Lotte Off: Lotte Off (HCSEG)
01:01:04 Jocelyn Burns: Jocelyn Burns I am interested in the education units
01:01:29 Mary Swartz: Donn Swartz and Mary Swartz
01:04:57 Dick Jensen: IT LOOKS LIKE YOU DON'T INCLUDE GROWING TREES IN THE DEFINITION OF AGRICULTURE.
01:06:55 Kate Smith: Thanks Dick, that is the USDA SARE definition...I believe they include trees as fiber in that definition
01:07:42 Alma Gonzalez: alma and Peggy ok thanks
01:12:01 Cecilia Hardwick: What about solar?
01:13:14 Cecilia Hardwick: yes
01:13:32 Jocelyn Burns: Taking care of yourself is one of the hardest things to stop and do. But also the most important.
01:14:23 Benjamin Sanders: Hi Dick. Consider alley cropping with integration of trees and traditional row crops.
01:14:40 martie vavoudis: to me sustainability always meant getting rid of the right trash and becoming a composting machine
01:15:20 Jerah Moore: I know a farmer who allows his egg layers in with his fruit trees every once in a while and a cover crop in the orchard
01:15:35 martie vavoudis: yes!
01:16:04 Kaisha H.: We are following a silvopasture model for pest management.
01:17:16 Travis Alexander: one involves land ownership while the other does not, takes the approach of our indigenous predecessors
01:17:19 Aaron Brown: Re earlier comment - I work in solar currently. Anyone who wants to discuss that topic, feel free to reach out (adbrown8714@gmail.com)
01:17:27 Lori Lee Saille: Is that what Biodynamic farming is?
01:17:27 Mark Galambos: thank you for clarifying that last part about regenerative farmingQ!
01:17:37 Otter: With that regenerative framework, is there any kind of racial equity component that can be involved with planning farms?
01:18:17 Tom Robinson: Our farm is providing pastures for local sheep, and the sheep herders turned me on to the regenerative nature of it.
01:18:18 Rachel Perlot (she/her): SoulFire Farms in NY
01:18:34 Ryan Brush: Regenerative: that's new word for me. Thank you.
01:18:38 Joshua E: I don't know how involved they are with regenerative, but the Tilth alliance is definitely focusing on racial equity in the ag sector
01:18:45 Jason Alves: several of the Veterans Training Farms in the state
01:18:45 Raven Forrest Fruscalzo: I'm not sure if it is regenerative but using cover crops to get rid of invasives
01:18:52 Aaron Brown: Mountain Rose Herbs recently put out a blog with a list of farm projects involving racial equity
01:19:09 Matt Taylor: <https://www.mudbonegrown.com/programs>
01:19:19 Shellie-Ann Kerns: Racial equity: I am offering CSA

donations to underserved/BIPOC families.

01:19:20 Jason Alves: Los Peacock Creamery has a great blog, covering some of this

01:19:20 Zoom user: Ron Finley is a guerilla gardener in south central LA

01:19:52 Piper McCullough: Regenerative Agriculture: Cure for an Ailing World https://www.youtube.com/watch?v=Fu4tsS4Q_o8

01:20:41 Darrin Fuller: I suggest "Kiss the Ground" on Netflix.. Great example of regenerative AG and carbon sinks...

01:20:47 Jerah Moore: berry where are you located?

01:21:03 Samantha Bowley: Is the chat viewable in the recording? I feel like there is a lot of good information being shared, and I want to be able to access links in the future.

01:21:17 Aba Kiser (WSU Food Systems): The chat will be downloaded and shared

01:21:34 Jerah Moore: im from Joseph originally!!

01:21:34 Kate Smith: Thanks everyone for sharing, keep the ideas and resources flowing!

01:21:55 Hope Hochhalter: I LOVE the book Growing a Revolution as well

01:22:09 Otter: Nurturing Roots in Seattle is a BIPOC led urban farm group as well

01:22:16 Aharper Sharper: Good question!

01:22:58 Aba Kiser (WSU Food Systems): On the topic of racial equity as a key piece of regenerative agriculture, here is an online event called Grains and Revolution that focuses on BIPOC voices in the grain sector. <https://www.craft.chatham.edu/grains-and-revolution>

01:23:06 Samantha Bowley: great

01:23:11 Jerah Moore: all good

01:23:13 Brett Taylor: Mine is good

01:23:16 Kaisha H.: So long as i keep my video off its fine

01:23:16 Justin Berry: sound is great

01:23:16 Esmeralda Sanchez: great

01:23:19 Hope Hochhalter: good here

01:23:20 Joshua E: Mine's a bit shaky but good enough

01:23:20 Brad Payment: working well for us

01:23:20 Jodie Kercheval: all good here

01:23:31 Alma Gonzalez: Great

01:23:35 Garry Fruth: good for me. Good download, bad upload - so reluctant to share video

01:23:36 Michelle Schmittler: Satellite internet can be challenging out in the sticks, but it's holding

01:23:47 Jason Maine: hearing loud and clear

01:23:48 Andrew Lueck: Great connection here!

01:24:15 Willow Maloney: Highly recommend Chris Newman's blog and Sylvanaqua Farms social media, lots of good info about regenerative ag, approaches to agribusiness, and BIPOC perspectives on agriculture generally

01:24:27 Aba Kiser (WSU Food Systems): Yes Sylvanaqua!!!

01:24:44 Kate Smith: Chris will be a key note speaker at the Tilth Conference coming up

01:24:50 Otter: Love Sylvanaqua
01:25:14 Kellie Henwood, WSU Jefferson County Extension: Tilth

01:27:29 Raeann Edwards: Own land
01:27:34 Madison Hamblin: Looking to buy land
01:27:34 Justin Berry: did it now what!!!!
01:27:42 Jason Alves: how many are on a incubator/learning farm
01:27:49 Andrew Lueck: Farming but need an improved plan.
01:27:50 David : looking to buy
01:27:53 Andre & Sam Harper: Looking to buy Land.
01:27:55 Piper McCullough: using my friend's land!
01:28:01 Isaac Huffman: we are buying now
01:28:28 Kaisha H.: I did it, i am farming but just purchased a
larger property and am asking now what (urban 1/3acre to 6 acres)
01:28:57 John Latimer: In escrow for property right now.
01:29:17 Michael A. Johnson: We bought land that has been leased
it to hay monoculture farming but want to do our own farming and need
to figure out planning
01:29:33 Kellie Henwood, WSU Jefferson County Extension: Setting
goals is huge in whole farm planning
01:29:49 Jennifer Montgomery: Own
01:30:46 Patricia Campbell: I have 40 acres and want to find out
the best way to use it as it does have some wetlands, but very good
soil. Also want to do a community garden.
