In 2023, reporting was realigned for graduate and professional programs. Professional doctorates (MD, DVM, D.Pharm, DNP) and the MBA/EMBA are reported separately. Additionally, students who are only enrolled in a graduate-level certificate program (in any program) are reported separately. In order to show year-over-year trends, last year's numbers are reported with the same logic. People of color includes people who identified their race or ethnicity as Asian, American Indian or Alaska Native, Black or African American, Native Hawaiian or Other Pacific Islander, Hispanic or Latino, or Two or more races.
